An action to enforce the provisions of this subsection must be commenced not later than 1 year after the purchaser discovers or reasonably should have discovered the defect or 2 years after the conveyance of the property to the purchaser, whichever occurs later.
5. A purchaser may not recover damages from a seller pursuant to subsection 4 on the basis of an error or omission in the disclosure form that was caused by the seller's reliance upon information provided to the seller by:
 - (a) An officer or employee of this state or any political subdivision of this state in the ordinary course of his duties; or
 - (b) A contractor, engineer, land surveyor, certified inspector or pesticide applicator, who was authorized to practice that profession in this state at the time the information was provided.
6. A purchaser of residential property may waive any of his rights under this section. Any such waiver is effective only if it is made in a written document that is signed by the purchaser and notarized.
